- It is your responsibility to provide us with your most current insurance information.
- If you fail to provide accurate insurance information in a timely manner, your insurance company may deny the claim. If the claim is denied, you will be financially responsible for the services rendered.
- We must emphasize that, as medical providers, our relationship with you, the patient, and not your insurance company. Your insurance is a contract between you, your insurance company and possibly your employer. It is your responsibility to know and understand the level of services covered by your insurance company.
- We may accept assignment of insurance after verification of your coverage. Please be aware that some or perhaps all the services provided may not be covered in full by your insurance company. **You are financially responsible for services not covered by your insurance company.**
- We charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company’s arbitrary determination of usual and customary rates.
- Copayments, coinsurance and/ or deductibles are due at the time of service. We will estimate the amount you owe based on information we receive from your insurance company. However you are responsible for paying the full amount determined by your insurance company once they have paid your claim- regardless of our estimation.

- You must provide your most current billing address, all available telephone numbers and any other important contact information. If your address or contact information changes, it is your responsibility to contact us and with the updated information
- We will send a statement (to the billing address you provide) notifying you if any balances you may owe. If you have any questions or dispute the validity of this balance, it is your responsibility to contact our business office within 30-days after receipt of the initial statement. You can call (281) 482-3376.
- **Payment in full is due upon receipt of the statement.** Patient balances not paid in full within 30 days of the statement issue date are deemed past due. **Past due account may be subject to a \$5.00 monthly late fee and may be referred to a professional collection agency and/or attorney for further collection activity.** You will be responsible to pay all collection costs incurred, including attorney’s fees and court cost if applicable.
- If you are not able to pay the balance due in full, you must contact our billing office to discuss a payment schedule. Any late fees already incurred on past due balances will be included in any mutually agreed upon arrangements. If you fail to make payments as agrees upon your account may be referred to a professional collection agency and/ or attorney. You will be responsible to pay all collection costs incurred, including attorney’s fees and court cost if applicable.
- If your account is assigned to a collection agency you will be notified by certified mail that you will no longer be able to receive services from Friendswood Dermatology Cosmetic & Skin Cancer Center, PLLC. Failure to accept this certified letter (and /or to pick it up at the post office) serves a notice of termination of services.
- In the event you submit payment by check and the bank returns the check unpaid for any reason, we will add \$35 to your original balance. In addition, we may seek all additional legal remedies provided to us under Texas law.
- **Failure to keep your account balance current may require us to cancel or reschedule your appointment.**
